Barb is the Club Member of the Year

In recognition of her continuing contribution to the Club over many years, and in many capacities, Barb van Galen was voted the 2023 Club Member of the Year at the April meeting.

Congratulations to Barb on her well-earned recognition.

Club President David announces Barb's award.

President Installed

In what has become another Club tradition, Past President Dallas Jones, invested 2023-24 President David Mitchell with his official Chain of Office after the AGM. The ceremonial President's Mace also adorned the front table at the meeting.

Dallas congratulates David. Life member Trevor Schneider, who chaired the AGM, looks on.

(Ceremonial Mace on the table in the background. The Mace is in the form of a stylised conrod, mounted on a rocker cover. It carries the names of past presidents on the timber shaft.)

ELECTION OF OFFICE BEARERS

President David vacated the Chair and introduced life member Trevor Schneider who took the Chair and thanked all the office bearers for their work over a challenging year.

Trevor noted that David Perkins had chosen not to re-nominate for a Committee position. He thanked David for his support and contribution to the club. David will continue to represent the Club at Federation meetings.

All executive positions were declared vacant. Committee nominations did not exceed the positions available and so no vote was necessary.

The successful nominations were:

President: David Mitchell

Vice President: John Bailey

Secretary / Public Officer, Consumer Affairs Notification for Incorporated Association:

Fred Harris

Treasurer: Maurice Healy

General Committee:

Graeme Anderson, Simon Anderson, Jon Breedveld, Tony Brincat, Col Jordan, Ken Parry, Gus Shea and Barb van Galen.

(As the Immediate Past President, Dallas Jones remains a committee member. - Ed.)

PRESENTATION OF TROPHIES

David resumed the Chair and thanked Trevor for his assistance.

Barb van Galen was named as the Club Member of the year for her continuing support of the Club.

David presented 25 year membership badges to Jan Clissold and Brian Edward.

Meeting closed at 9:24pm.

Ken and Ray Made Life Members

Ken Batson and Ray van Galen were awarded Life Membership of the Club after the members endorsed their nominations at the April meeting. Both men were surprised by the announcement. However the following citations demonstrate how much they have contributed over the years.

Ken Batson

Ken joined the W.D.H.V.C. in 1989

He served on the Club Committee for nine years from 1994 to 2005 and was Rally Director for six years from 1997 to 2003, organising club rallies and outings, which is a time consuming task that requires considerable effort and dedication, as this is a vital aspect of the club's function.

For several years Ken organised and operated monthly picture nights at the Clubrooms, and in 1998 he suggested and then organised the start of the monthly "dine out" nights.

In 2000 Ken arranged a six week trip to Europe for a group of 29 club members, many of whom said that they not have travelled overseas alone and therefore appreciated Ken's organisation of a club group trip.

He was voted by the general membership as "Club Member of the Year" in 2000.

Ken has hosted club events at his home and property for "around the houses" rallies.

For over 15 years, Ken has organised the W.D.H.V.C site at the Bendigo swap. This has required Ken to transport the tent, table, chairs and obtain catering requirement on the Friday and set them up for the weekend. This club site has been a very valuable facility for our members who used it for refreshments, to drop off parts or gather for a lunchtime sausage sizzle. The provision of this club site for the benefit of members required a substantial commitment from Ken, but he readily did this for the benefit of our Club members.

Ken has demonstrated an ongoing and consistent dedication to the W.D.H.V.C.

Ray van Galen

Ray joined the W.D.H.V.C. in 2000 and has served four years on the Club Committee, one year as Vice President and in 2014/15, a year as Club President..

In 2009 Ray arranged for some members to meet for an informal "Tinker Day" This became so successful that in 2010 the club recognised "Tinker days" as a regular monthly event and Ray has continued to organise these until recently.

Since 2015, Ray has also organised the regular "Smell the Roses" run, particularly suitable for motorcycles. He has made his home available on several occasions for club rally visits.

Ray administers the "Mars Bar Competition" featuring early photos of club members printed in "Backfire", inviting readers to guess the person featured.

Ray has a "can do" attitude when he attends to numerous matters in the clubrooms, such as the audio or defibrillator maintenance. He has assisted with "Backfire" printing and postage and is always willing to attend to maintenance function requirements in the clubrooms.

Being a qualified mechanic, Ray has been a welcome source of advice and a "get you going" man on rallies. He has been very involved in the preparation and manning of our Swap Meet. Ray represents our Club at engine rallies as a displayer of his machines, and is a strong advocate for health and safety requirements for our activities.

The general membership has recognised Ray's dedication, by voting him as "Club Member of the Year" on two occasions: 2010 and 2013.

Ray has demonstrated an ongoing and helpful dedication to the W.D.H.V.C.

President's Report 2023

Finally after over two years of Covid disruption, we got back to a more normal routine with regular events, even though Covid was still around and it was more of a case of "living with it".

We had a new Coffee run organiser, Col Jordan, and a new Rally Director, Ken Parry. Thanks to both Col and Ken for taking on these new roles. Simon Anderson also joined the Committee in May and brought some social media expertise to the group amongst other skills.

We managed to have all the usual events including coffee mornings, tinker days, Anzac Day BBQ, tech nights, dine outs, rally events and of course club nights. We also celebrated our 55th club birthday in May. Unfortunately, as the decision for the 2022 Swap had to be made several months in advance, and given the uncertainty around Covid, it was cancelled for another year.

Other notable events during the year included the invitation from our fellow Geelong car club, the MG Car Club of Geelong to visit their new workshop and see how they are using it. Also we had a great night in December for our Christmas function evening, enjoying fabulous entertainment from the toe tapping tunes and harmonies of the Soul Sister Swing musicians.

We also had a huge turn up at the Christmas lunch at Seasalt Meadow - a great way to finish the year.

Another very successful Membership renewal event was held in February and again confirmed its place on the calendar.

Many thanks to all the members on the Committee for all their work and effort in running the club during the year. Also a big thanks to all the club members who run things and help out from outside the committee: library, tech nights, BBQ events etc. you don't have to be on the committee to be involved. Special thanks to David Perkins who is retiring from the committee and to Ray van Galen who has retired from running the Tinker Day events after 14 years.

As we head into a new Club year, we have our first Swap Meet for three years next month. We are always looking for more volunteers to help out, so please make sure you have your name down. It should be a big event with a pent up demand for bargains and it is a great team event for club members involved. It may well be our last swap if we don't find a new swap manager as this will be Fred's last. Let us know if you have any thoughts about taking it on.

Hopefully we will have a full year of events again, and getting involved is a great way of meeting other members and enjoying events. I hope to see you out and about at our various activities.

David Mitchell

President

Secretary's Report 2023

We started the 2022/23 year with three new committee members, Simon Anderson, Tony Brincat and Col Jordan, and I am sure you will agree the committee has done a great job steering the club over the last 12 months.

We had the annual Anzac BBQ at Barwon Heads, with head chef Murray Foran and his helpers doing a great job and it was well attended as usual

Covid was still rearing its ugly head and the committee decided not to run the Swap again. Also in May we celebrated our 55th birthday, along with the National Motoring Day.

Coffee mornings every month being popular and in June our casserole lunch in the club rooms was another great event. An inaugural rally was a poker run, which was a great success.

The Long Distance Rally was organised by our Tasmanian residents Gus & Teena Giustini with Sharyn organising the voyage across the Strait. Everyone had a fantastic time and many thanks to our Tassie hosts.

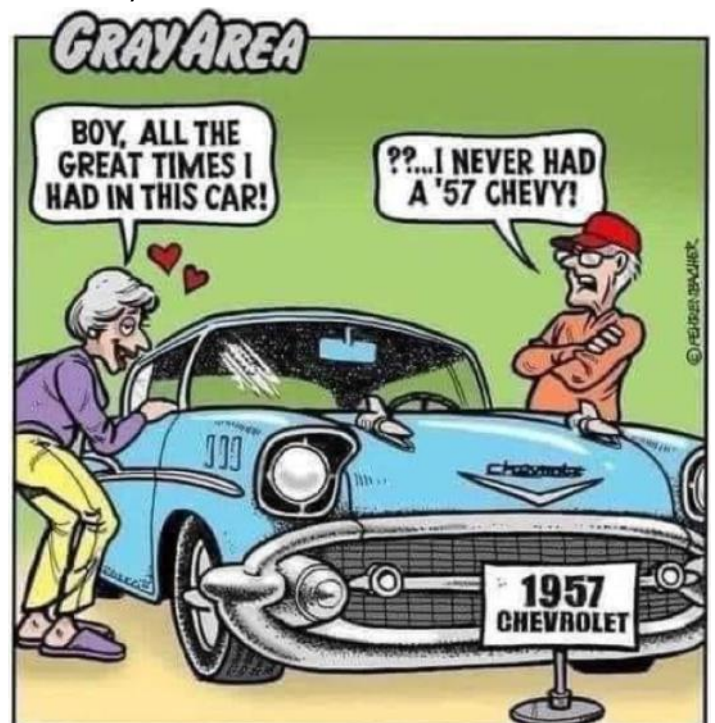

Large numbers attended our Christmas breakup in St Leonards, with all enjoying a Christmas feast.

Our annual membership renewal day was another excellent club day, with a big attendance. There have been many events in the last 12 months, too numerous to mention, but many thanks to everyone who has organised or helped with the various activities.

I would like to thank David our President for leading this great club along, and Maurice for keeping our finances in order and the committee for making the necessary decisions.

Fred Harris

Club Legends

Trevor Warren

Our club includes people with a wealth of knowledge and experience that we wish to preserve. This is the fourth in a series about these "Club Legends".

Trevor was born in 1929 in Leopold on the banks of Lake Connewarre. He went to the Leopold School for seven years, then two years at Geelong Tech. He also did a further two years at the Gordon Tech wool classing school.

His first car was an ABC Roadster which he drove from Barrabool to Dalgetys Wool store for three seasons.

His father had a model T Ford ute: they would jack up the back wheel and use as a fly wheel.

He got his licence in his grandma's 1938 Pontiac and when the policeman asked: "How long have you been driving?" he replied: "About 10 years." Country kids: you can't keep them out of cars etc.

He then got a 1946 Chev Ute and the first model Holden (1952) in 1954 and had it for about 10 years. He told me his favourite was an HR Holden: they were good cars. His restoring bug started with the late Bob Coulson (past club member), who had a model T.

He joined the Vintage Machinery Club in 1970 because he likes to fiddle with old engines. He then moved on to build a model T. He found half a chassis - firewall to front - and when he asked what car it was, they told him it was a truck.

While wool classing in the Mallee he wanted to get a truck off an old fellow who wanted a trailer so Trevor built one to swap and got his truck. He then got an engine from the tip.

He married Annetta in 1989 and as he said, he waited a long time to start married life and got the best.

Trevor and Netta had a 27 Chev tourer and a Pontiac (the same as Granny's) and a Chev ute 9, the same as they had on the farm. Their favourite rally car was the Pontiac, which they did many long distance rallies in.

Trevor's dream car would be a Rolls Royce. He has been in the WDHVC for over 30 years and their favourite events have been rallies to Burra, Bay to Birdwood, the Snowy Mountains and the Blue Mountains.

Trevor has been president of the Royal Geelong Agricultural and Pastoral Society from 2000 to 2002 and a member of the governing council for over 45 years. As a result he has a collection of tractors and old engines, including a Ferguson W6, a Massey Harrison and three John Deere tractors.

When I asked Trevor and Netta what they liked most about the WDHVC both replied the enjoyment of like-minded people and the companionship of everybody. They have enjoyed every year of being in the club.

Trevor, who is 93, still goes out to the farm a couple of times a week to tinker. If I am still as able as he is at 93, I would consider myself a legend, just like Trevor.

- Sharyn

RALLIES & RUNS

Geelong Show and Shine

On Monday 3 April we were invited to have a display of WDHVC vehicles over lunchtime at the Ford Engineering Centre in Norlane. Our President David arranged for our involvement with his former workmates at Ford.

The purpose of the event was to raise funds for the "Kids Day Out" charity. There was a very large attendance of hobby vehicles from various clubs and individuals and there were lots of spectators. An auction of memorabilia added to the success of the day.

Our thanks to our club members who displayed, including: Jack Thomas – T Model; Col Jordon – '78 Transit; Lyn Jordon – '94 Probe; Ken Parry – XP Falcon Coupe; Ken Batson – '74 Landau; Max McKenzie – XW Falcon; Tony Brincat – '93 Capri; and Trevor Schneider – A Model. - Trevor Schneider

February Tech Nigh - Motorcycles

The 23 March 23 tech night was on motor cycles, with three motor bikes in the garage. Most of the members present had a story to share about motor bikes.

Ray amazes me about the stuff he brings to the tech nights. This month was no exception. He had a side saddle for a motor bike. Comment were made about it making riding the bike more difficult. Ray also had a carbide light and a pump for cleaning the jet.

I built a home-made motor bike wheel alignment tool from square tubing. The back wheel can get out of alignment, leading to extra tyre wear. This is more critical when the tyre has a groove around the centre of the tyre. With the bike on the centre stand the tool is clamped to the rear wheel and the extensions point to the front wheel.

I do not have a motor bike any-more and the tool is free to a good home.

- Lindsay Alford

Rear wheel out of alignment

RALLIES & RUNS

Tinker Day to Graham & Gwen's Place - Thursday 20 April

We couldn't have asked for better weather for this time of year. It was cool but not cold and it was sunny with no sign of rain. Another great turn out with around 40 members with 25 cars and one motorcycle attending the day at the Peacock's home. A beautiful garden setting where we set up to eat, drink and talk.

Not sure what attracted the most attention on the day, the grey Fergy tractor, the ancient Howard rotary hoe or the garden produce that seemed to be in great demand.

The Tinker Day is a great opportunity to socialise with other members and look at what makes them tick. If you've not been to one for a while, you need to fix

that, because you are missing out. Huge thanks to Graham and Gwen for opening their home to us and also the lovely soup, biscuits, cake and cuppas.

Anzac Day BBQ Breakfast

A mild start to a glorious autumn morning by the river at Barwon Heads saw a good turn out of some 50 members and their cars, to observe the traditional Anzac Day breakfast BBQ. Thanks to Murray Foran and his helpers Peter, Sandra & Ken for organising, and cooking the bacon & eggs.

VALE – BETTY JENKINS 7/1927 - 9/3/2023

Mum was one of 12 children, about in the middle. She was always happy, didn't believe in depression: just get on with it. She had one daughter, two grandchildren and two great grandchildren. Mum and Dad were married over 50 years and had a great life: not much money but always had their home.

My mother was sweet tooth. Whenever she went out for a meal she would always check the dessert menu first. If you ordered your main too big you couldn't fit in the best part - the dessert - and the more cream and chocolate the better.

Her best mate was Fred and she adored her grandchildren and greats. She was a member of the club for 27 years and enjoyed the company of many members. She loved a chat: would talk to anybody and got their life stories in no time.

For the last two years of her life she lived at Drysdale Grove Nursing Home and loved it, so much so that she told any visitors that should put their name down to come and live there.

Mum passed away in her sleep after a full and happy life. I will always miss her and her sunny smile.

- Sharyn Harris

Our member Betty passed away peacefully at Drysdale in March. She was the loving mother of Sharon Harris.

Betty joined the club with husband Jack in 1997, thus she was a 25 year member. Jack died in 2005. Residents of Portarlinton in the latter years, they were keen members and took an active part in all things Club. Betty enjoyed our meetings and events. She had many friends and had a cheery nature, and was content with her life.

We extend our deepest sympathy to Sharon and Fred, and to the family: Brad and Carolyn, Tamara, Sam and James. She will be sadly missed.

Great Mars Bar Competition

The May Competition

This month's Mars Bar competition is going to be way too easy, as this club member has hardly changed at all in the last 60 years or so.

Well alright, maybe the hair is not quite like that now, but he would still be able to ride a bike if his life depended on it and was being chased by a hungry Lion!

I think a second Mars Bar can be offered to the person able to name that very good looking pushy and where it was made.

Keep the photos coming folks, as I am down to my last two.

KEEP IT IN THE CLUB

Got a vehicle for sale?

**Please consider advertising it in
Backfire first, to give your fellow
members the first option of buying.**

**Just because you are right, does not mean, I am
wrong. You just haven't seen life from my side.**

For sale/wanted ads are free to Members and generally
appear for **two issues** of *Backfire*. To remove
advertisements from the newsletter earlier, email
editor@wdhvcgeelong.com (Ph 0417 311 441).

Reminder: All vehicles in the "For Sales" must have
VIN number & Price or Registration Number & Price,
otherwise they will be listed under "Clues". Ads for the
'Clues' section must not refer to any payment that may
take place by mentioning an amount or 'best offer', etc.

All ads for cars also appear on the **club web site** where
greater detail and photos (where supplied) can be
viewed. To see ads, go to
