OCTOBER 2024 EDITION

Members Rides

Owners Graham and Anne Brinsden (Original Families FJ Holden)

Next General Meeting Wednesday 23rd October 2024 (7.30pm)

The Werribee and District Collectable Vehicle Club (Inc.)

Was formed in June 1991 to foster and advance interest in History, Restoration, Care and Preservation of Classic and Historic Motor Vehicles. It provides an avenue for sharing of information by owners of those vehicles. The Club is a not-for-profit organisation. We welcome as members all those interested in preservation of our motoring history. Club conducts monthly general meetings, regular events, and monthly runs for its members and assists community organisations with attendance at community events, retirement homes, parades and car shows. Generally our members come from those who own vehicles over 25 years old, but this is not a prerequisite for membership, anyone is welcome.

HAPPY BIRTHDAY TO ALL MEMBERS HAVING A BIRTHDAY THIS MONTH

*Sandra Schieseck, Alex Tabone, Eddie Brand,
Lorraine Duke, Judy Thompson, Rod Matthews,
Brian McPhail, Shawn Van Roosmalen, Trevor Ryan,
Helen Taylor and Nick Calleja.*

President's Report

Hello Fellow Members,

I hope our newsletter produced by our new Editor Dennis finds you well.

Thank you to all our members that was able to attend the Club's Annual General Meeting last month.

On behalf of Committee, I would like to thank everyone for their support over the last 12 months and your continued approval by re-electing the Committee members back to their positions for the forthcoming year. Also, a big welcome aboard to Wayne Rodgers onto our team as a General Committee member and Dennis Cassar as new Club Editor. For Dennis it's really return to duty as he was our Editor a good number of years ago.

The planned photo shoot for Saturday 26th October to produce a Club Calendar sadly has been put onto the back burner for now. E-Mails and SMS message sent to every member, Club will discuss in coming General Meetings alternate ideas.

Good turnout of members for Club run and Picnic at Andy's Collection of cars, farm and stationary engines from his lifetime of collecting, see report separately in Newsletter.

We're in Daylight saving so it gives Club more scope for arranging runs. Please Monitor on your Newsletter, E-Mails and SMS for something interesting to do or see.

Club PICNIC and Children's Christmas Party is on Sunday 8th December at Altona Miniature Railway. 1-21 Blenheim Rd, Altona North (Newport). Remember to get your Children's Forms filled out and handed to Social Secretary before 31st October to ensure your child doesn't miss out on receiving a Christmas Present from Santa.

'Keep the Shiny Side Up'

Cheers

Prez Col

Club Cruise and Picnic to visit Andy's Collection Saturday 5th October.

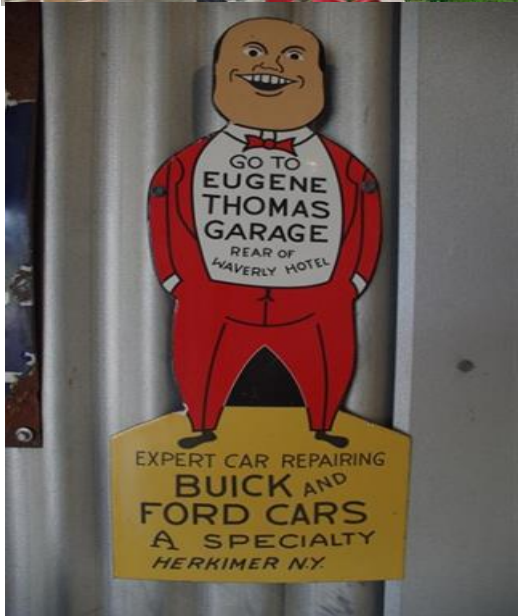

The annual club picnic which had been postponed was held on Saturday 5th October, with a run up to Andy Burns' property at Scotsburn, and what an enjoyable day it was. The day started at the McDonalds venue at the Malty Bypass, with 28 members/ friends arriving with 13 of the 16 cars being club cars, which pleased Colin immensely. Scheduled departure time was around 10, however after a couple of stragglers (nameless) arrived late the group set off on a leisurely back roads drive up through Anakie, Meredith, Elaine, and onto Scotsburn, a drive of about 1.5 hours. Along the way there was plenty to see, with plenty of firewood lying on the sides of the road, and also the ugly wind turbines at Elaine which spoil the beautiful countryside views. Arriving at the venue at about 11-45am we were greeted by Andy and his co-host Archie, a young boy, who has a great interest in everything we were about to enjoy. The tour began with an overview from Andy, and then we were taken through the first shed; which had a collection of old cars, mechanical motors, clocks, chainsaws, tractors, motor mowers, plaques, photos, and a beautiful little traction engine. Andy talked enthusiastically about his collection of everything in a real man's way with a good bit of humour in his stories. Some of our club members were given an opportunity to start one of the big motors up, but after a lot huffing and puffing, the endeavour was unsuccessful. Now it was time for lunch, and along with the club barbecue available everyone sat down to chat and eat. Tea and coffee were provided along with tables and chairs from Andy. After lunch while the ladies decided to stay put and chat Andy took all the men up to his work shed, where as a boilermaker tradesman he has all the machinery you could think of, some he had manufactured himself. Again the show and tell was excellent. Whilst this part of the day was very interesting as well, the weather gods outside decided to produce a very very heavy downpour. All the club cars were sitting outside except for Colin's, so some special TLC would be required when those soaked cars arrived back home. When this part of the day had finished, it was time to pack up all the lunch area, and leave the place as we found it, a job well done by all. Overall the general chat was that this day was one of the most enjoyable, rewarding days most club members could recall in recent years. The day concluded around 3pm and members departed for home in their soaked cars. Special thanks to Colin for organising the day, and cooking the barbecue, Andy and Archie for their excellent tour and insight, and Shirley for baking and providing some lovely afternoon tea.

‘Food for Thought’

Signs You Should Stop Driving

Reprinted with approval from original author ‘Western District Historic Vehicle Club’

On the road, little mistakes can have big consequences for you and the people around you. So, if you find yourself doing any of the following while you’re driving, it might be time to consider other forms of [transport](#):

- Getting lost consistently
- Colliding with or scraping against stationary objects (like a car, pole, or wall) while parking
- Getting confused while interpreting traffic signals or signs
- Failing to stop at red lights or stop signs
- Mistaking the accelerator for the brake
- Stopping at green lights

If you’re unsure about your own ability to [drive](#), or you’re concerned about an [older family member](#) behind the wheel, consider undergoing a driving fitness test with the licencing body in your state, (for example, **VicRoads in Victoria**).

This way, you’ll have an independent opinion on your or your loved one’s driving ability and receive professional advice on the next steps.

Otherwise, if it’s not yet time to completely give up [driving](#), you can make a few minor changes that might help minimise your risk of having an accident.

For instance, you could avoid driving in low light, or when the weather is especially bad.

Or you could limit your car use to familiar roads within a certain distance of your home.

Getting Around Without Driving

Living life without your driver’s licence might mean making a few adjustments, but it shouldn’t affect your lifestyle. For example, rather than [driving](#) to the local supermarket or pharmacist, you could opt for home delivery. And when you’d like to get out and about, you could ask a friend, a fellow Club member or family member to drive you, take public transport, or make use of a [home care service](#) for safe and easy [transport](#).

There are plenty of fuss-free options to keep you mobile and independent, without taking extra risks.

Could you use some help getting from A to B?

At [Simply Helping](#), we offer a range of flexible [home care services](#), including [transport](#)! We can take you to and from doctor’s appointments, social outings, and more.

Mid-Week Run to Inverleigh Hotel 9th October 2024

This was our Club's last Mid-Week Run for 2024 and was equal to all the others Les and Lorraine ran throughout the Year.

We met for a morning Coffee at BP S/S near Little River and once everyone was fueled up (Coffee and Petrol) Les gathered his flock together to outline the route he intended to take us. We welcomed two recent members, Graham and Ann in their very original FJ Holden Special. We hope you both enjoyed your first Club Run.

Weather was perfect for a Leisurely drive, bright sunshine but not too hot.

The Run managed to encompass all aspects that our members enjoy, friendship, a nice drive on various back roads through lovely country in our Club Vehicle, rounded off with a hearty lunch, this time at Inverleigh Hotel.

Unfortunately the first hurdle was a road block leading into Lara, but no stress the posted detour soon brought us all back together and on track.

Back road drive had us travel through some nice landscape and as its Spring most paddocks were lush green or bright yellow, the drive had us meandering through Township of Bannockburn then even more remote roads including a few one way bridge crossings and finally arriving at Inverleigh itself.

The turnout of member in the middle of a week once again is heartening, with 32 people at the Lunch Table in Hotel's Bird Room.

There were a few Birthdays, not actually on the day but close enough to make a point, Rod Matthews, Judy Thompson and Helen Taylor. **'HAPPY BIRTHDAY to ALL'**.

Another highpoint that was kept a little quiet, was a celebration for Connie Mallia on achieving her 20 Year Milestone working at Kmart, well done Connie, you can quietly retire now, Tony hopes so anyway.

Great Day out and as I understand a few headed off after lunch to brows second hand shops for that one thing they need, hope you found something really nice.

Thanks Les and Lorraine

One of our younger members Emmeline Brinsden was recently married. Emmeline along with her Dad Graham in the weeks prior to the wedding worked frantically on her VW Beetle to get it on Club Plates in time to be Emmeline's Wedding Car. Not only was it the Wedding Car but she actually drove the Car herself to the wedding. Emmeline's Mum, Anne helped with doing some special magical work on her Wedding Dress to make driving the VW easy. Grahams Original FJ Holden also featured in the wedding party.

Congratulations Emmeline on your Wedding from all the WDCVC members.
